Just A Brother & A Sister

Just A Brother & A Sister

Tuffnut watched as Ruffnut sighed over her feelings for Eret, son of Eret in the middle of the day while they took a flight with their shared Dragon named Barf & Belch. Quite frankly, he was getting tired of hearing her sigh ****ALL DAY LONG****.

"Ugh, will you just shut up already?! I've enough of your Fangirl tendencies for once." Tuffnut complained over to Ruffnut who gave him her death glare.

Glaring at her brother Ruffnut retorted back, "Shut up! Eret his hot and totally my type! Why do you care If I praise him?"

"I care because I lose sleep every single time I hear you say ****Oh Eret take me!****" Every single time we fly pass his house." Tuffnut said simply as he raised his eyebrow back at her. "Every time you say that one line, you kill off one of my years to live."

Ruffnut laughed, "Oh whatever, you know that can't happen because if you die early than so do I idiot! And I am not gonna die before I marry Eret and have his children!"

"Sure, whatever. But just..." Tuffnut began to say as he became more serious in his tone, "Just be careful..."

This time it was Ruffnut's turn to raise an eyebrow as she kept his

eye contact, "Why're you saying that?

"You figure it out!" Tuffnut retorted back to her, blushing slightly in embarrassment as he motioned for Barf & Belch to go faster.

But Ruffnut wouldn't let him off the hook that easily, so she stopped the Dragon all together with one simple tactic that was crazy enough for her. She simply fell off the Dragon and free falled with her arms spread out in a snow angel shape.

"_**YOU**_"_**IDIOT WHAT ARE YOU DOING?! YOU'LL HIT THE ROCKS IF YOU DO THAT!**_" Tuffnut cried out to her, even though pain and suffering were two of the things that he enjoyed the most. Especially if they happened to his sister, but he didn't want to see his sister killed right in front of him either.

Ruffnut lifted one of her eyebrows to her brother, "Then come rescue me!"

Barf & Belch dive bombed after her and Barf lowered his head underneath her for her to grab back onto his horns. Ruffnut landed safely on his neck and grabbed hold of her part of the Dragon. Perfectly safe and out of harm's way.

"Tell me what you meant when you told me to be careful or I'm gonna pull that stunt again!" Ruffnut threatened Tuffnut as she leaned her weight to the side of Barf's neck again.

Tuffnut looked at her furiously, but sighed as he knew she would carry out her threat if he didn't tell her what he meant by what he said to her. So he said, "I said be careful because I don't want you to get hurt by Eret. He might be the hunk of your dreams but that doesn't mean that he won't break your heart if he doesn't like you the same way you like him. I just want you to be careful because you're my twin sister and I love you."

Ruffnut looked at him touched. She leaned Barf's head closer to Belch and bonked her helmet against him in their normal sign of affection.

For the rest of their afternoon flight, they interacted with each other like they usually do. Cracking jokes and being playfully dangerous with each other. Overall, just being a brother and a sister who would always look after each other.
